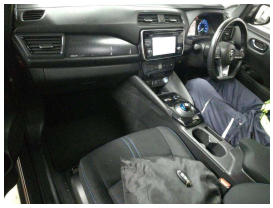
2019 Nissan Leaf 40kwh - English Dash Upgrade. $16,990



Buy Safe tips. You do not need to be a mechanic to Buy Safe.

- Rule: If you only have one test drive, make it a long one. Charging and drives, Bluetooth connection, and all the features need time to be tested.
- Warning: Beware of Fake Reports! Do not trust reports of Nissan using Nissan Genuine parts, unless you know and trust a dealer.
- Rule: Do not trust Bluetooth and cameras. Test every Bluetooth connection and every camera yourself.
- Warning: Beware of Fake Bluetooth and radio stations. Test every Bluetooth connection and every radio station yourself.
- Rule: Do not trust the Nissan Genuine Parts. Ask the dealer to show you the invoices. Find out and test what is in fact a genuine.
- Warning: Beware of Fake Genuine. A great number of Nissan vehicles are through Other Dealers. The Japanese glazing glasses. We are not Brand. Ist Glazing is written Fuji on the Nissan Genuine Parts. Fuji is a Japanese company. Nissan Genuine Parts are made by Fuji. Fuji is not Nissan
