Buy Safe tips. You do not need to be a mechanic to Buy Safe.

Buy Safe is a free service that provides a comprehensive vehicle history report for any vehicle in New Zealand. The report includes information on the vehicle's registration, insurance, and any accidents or damage it has been involved in. This information is crucial for making an informed decision when buying a used car.

Buy Safe also provides a free vehicle inspection service. A qualified mechanic will inspect the vehicle and provide a detailed report on its condition. This report will include information on the engine, transmission, brakes, and other key components of the vehicle. This service is particularly useful for identifying any potential issues or problems with the vehicle before you buy it.

Buy Safe is a free service that is available to all New Zealanders. It is a valuable tool for anyone looking to buy a used car, as it provides the information you need to make a safe and informed decision.
