What a stunning Auris Hybrid this example is. All we could do to compliment this immaculate example was to install a NZ stereo with Bluetooth handsfree, music streaming, Apple CarPlay, Android auto & reverse camera. This Hybrid Auris also comes with partial leather, Push button start, Traction control, 3 Point belts for all seats, Front collision warning system, Lane departure warning, Proximity keyless, Auto headlights, Dual Climate air conditioning, Factory 16 inch alloys. The 1.8 Litre petrol engine develops 73kw of power plus the electric engine that develops an additional 59kw.
